PLSD Moves Ahead With System Upgrades

During DANR's April meeting, PLSD was offered an initial grant/loan package totaling \$2,963,000 with a ratio of 72% grant (\$2,158,000) and 28% loan (\$805,000). The loan package is at a rate of 2.125% over 30 years. PLSD is working with Northeast Council of Governments (NECOG) and Helms Engineering to take the next steps necessary to initiate the first phase of the project that includes upgrading the system. Surveyors have completed work at the lake to provide necessary information Helms will use to prepare the bid package for the project. To publish the bid notice and secure bids before the next quarterly DANR Water Board meeting scheduled for September, PLSD will issue the bid notice in its official newspaper, The Reporter & Farmer, the weeks of August 22nd and 29th. The Board will open the bids with Helms Engineering at the office on September 7th to determine what additional funds will be applied for with the supplemental funding request. PLSD will work expeditiously with Helms and NECOG to submit the necessary application paperwork to meet the DANR September 9th deadline.

PLSD Reminds You of Customer Responsibilities

PLSD amended Ordinance 12 to align with industry practices that requires customers to bear the cost of repairs done to sewer components on your property. We are happy to service your property; however, we must bill you our cost for materials plus an hourly labor charge. PLSD charges \$100 for the first hour of service followed by \$50/hour for additional time spent on the repair. We charge a minimum of one hour to cover our additional costs associated for making a service call. System Manager Justin Carlson will assess your issue and determine the steps necessary for repair, including a determination if you need to hire a licensed electrician to complete the repair.

PLSD Offers Automatic Withdrawal Payment Option

It's not too late to sign up for automatic withdrawal effective for the September 1st billing. PLSD's bank (Dacotah Bank) drafts your account on the 20th day of the billing month. It's a safe, secure, and an affordable option we're able to offer you. If you're interested, please complete the [enrollment form](#), and return to our office via regular or email. We keep all information securely stored in locked cabinets in the office.

Reminder: Update PLSD Payment Address

If you use your bank's bill pay feature, please make sure you have updated PLSD's payment address to our office located at 2908 Peabody Ave., Grenville, SD 57239.
